We have worked hard to make your party area safe and fun place for parties. The party area requires a lot of time and maintenance to keep it safe and clean for all of our guests. The following is a list of rules you must observe while having a party at Backyard Adventures of Westboro.

- Children must stay in the party area at all times. Children cannot play on the displays in our showroom during parties.
- We have installed a very expensive floor for your child's safety. Absolutely no food or drinks are allowed in the play area. Any spilled food or drinks in the play area must be brought to our attention immediately, so we can maintain a clean and healthy environment for your children. Any violation will be subject to a \$25.00 clean up fee (no exceptions).
- You are responsible for cleaning up all the trash in the eating area and play area. This includes all plates, napkins, food, and drinks, party favors, and anything else you bring to the party. Any trash left in party area will be subject to a \$25.00 clean up fee (no exceptions).
- We do not allow confetti.
- Parties are for a full 2 hour period, however cleanup must start 15 minutes prior to the end of your party. Your entire group must be out of the party area in 5 minutes after your party ends. We have many parties each day and we have to get ready for the next party.
- All parties include up to 15 children. Add \$7.50 for each added child which will include a juice box and a free goodie bag.
- Party parents are responsible to watch the children at all times. Swings N Things inc. must receive all invitations on the day of party with a parent's signature, allowing them to play in the birthday tower area. Failure to do so could prevent that child from all activities (no exceptions). Shoes must be worn on towers and forts. No running or rough play is allowed.
